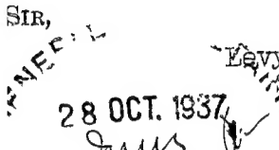
OFFICE OF THE MUZRAI COMMISSIONER
IN MYSORE,

Bangalore, 27th October 1937

K. V. ANANTARAMAN, Esq.,
Muzrai Commissioner in Mysore,
Bangalore.

M. Venkatesa Iyengar, Esq., M.A.,
General Secretary to the Government of Mysore,
BANGALORE.

SIR,



Levy of water charge from the occupants of Sri Chamarajendra Memorial Chattram at Seringapatam.

Adverting to G.O.No.1567-8/Muz.256-33-2 dated 29th May 1934 sanctioning revised rate of fees to be recovered from the travellers occupying the Chattram, I have the honor to forward herewith a copy of letter No.H.171/37-38 dated 26-3-1937, submitting proposals for revising the scale, with the connected records.

2. As the Chattram is fitted with water taps and additional facilities for water have been created, the Deputy Commissioner proposes to levy water charge at the marginally noted rates and expects an

income of about Rs.50 per year from this source. Light charges are being levied at Re 0-2-0 a day for the occupation of each room, both in the ground floor and the first floor, as per above Government Order.

3. As the water rate now proposed is a fresh levy, I request that sanction of Government may kindly be obtained to this levy. The scale will be sanctioned by me on receipt of Government sanction to the levy of water rate.

I have the honor to be,
SIR,
Your most obedient servant,

Letter No.H.171/37-38 dated 26-8-37 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

Subject:- Scale of expenditure - Sri Chamarajendra Memorial Chattram Seringapatam - revision of.

With reference to your Order No.D1 Dis.284/33-34 dated 14/20th June 1934 have the honor to submit herewith proposals for revising the scale of expenditure of the Sri Chamarajendra Memorial Chattram at Seringapatam, and to state as follows:-

The Chattram receives an annual cash grant of Rs 400 from the Government. The average estimated rent realisations for the occupation of the Chattram is Rs 200 per year, as per revised rate of fees sanctioned in G.O.No.1567-8/Muz. 256-33-2 dated 25/29th May 1934. The Chattram has since been fitted with electric lights and a sum of Rs 60 a year is expected to be realised as additional income under this head, and the same is shown separately under income in the scale. The Chattram has also been fitted with water taps, and a scale of fees is also fixed for the use of the water and the income under this head is estimated to be Rs 50 per year. Thus, the present income of the Chattram may be taken to be Rs 715-0-0 as against Rs 525 in the previous years.

Owing to the fall in the income in the previous years, the Establishment charges were reduced. Out of the Reserve amount, the minus balance of the institution has been fully adjusted and there is a balance of Rs 618-1-1 to the credit of the institution, on 30th June 1937. In consideration of the fact that the income of the institution has improved, the Amildar and the Sub Division Officer recommend that the pay of the parupathegar be increased from Rs 10 to Rs 15 and the pay of the peon from Rs 7 to Rs 8 and that of the sweeper and scavenger from Rs 3 to Rs 3-8-0 per month. I think the pay of the parpathegar may be raised to Rs 12-8-0 for the present instead of Rs 15, all at once. I request that sanction may kindly be accorded to the revision of the scale of receipts and expenditure of the Chattram, as per the detailed statement submitted by the Amildar, with the modification suggested by me in the pay of the parupathegar.
